

CascaDIA-80

Modular green roof system with excellent water retention capacity.

#310207

Technical Data Sheet

■ Green up the roof!

	The CascaDIA-80 green roof modular system offers an excellent water retention capacity beyond the common advantages of the modular green roof systems. The outstanding features are the easy handling (~40lbs/tray), high water storage facility (8.84 oz/SF), and the high degree of diffusion capability.
