

SLH-600

#610113

Manual

■ Green up the roof!

 A black, cylindrical, multi-segmented component, likely a spacer or support, shown vertically.	Application:
Installation instructions:	
Installation Tools:	
Installation Photos:  Three photographs showing the installation of the SLH-600 component. The first photo shows several components being placed on a wooden roof deck. The second photo is a close-up of a component supporting a wooden beam. The third photo shows a row of components supporting a wooden beam on a roof.
