

KSR-10

Drain cover and inspection box for extensive green roofs

#120106

Technical Data Sheet

■ Green up the roof!

	KSR-10 inspection boxes are installed on extensive green roofs with a 4" build up to ensure the professional maintenance of outlets and prevent their contamination. The boxes are made of polypropylene with a lockable lid and a stainless steel filter to prevent debris from entering the drainage system. Each box has four precuts around the bottom, for 2" drain pipe connections.
